SENIOR MEMOIRS

*BEVERLY
HIGH SCHOOL*

Miss Evelyn Griffin

~~~~~ Our Adviser ~~~~~

*Like the resourceful leaders of the covered-wagon trains which trekked across the nation a century ago, our Class Adviser has faithfully guided the Forty-Niners on their long road to graduation. Bridging the rivers of Sophomore worries with patience and understanding, braving the deserts of Junior problems with reserve and initiative, scaling the mountains of myriad Senior troubles with sympathy and genuine sincerity, Miss Griffin has won the respect and admiration of her student followers.*

*Now the journey is over; the end of the school trail is in sight. These traveling Forty-Niners will go their way, exchanging the close associations of school life for new friends and interests. But as these members separate, they will have one common share—memories of B. H. S. and you, Miss Griffin. In future years your pleasant manner and warm smile will continue to guide the Class of 1949. In their eyes you will always be a leader, a counsellor, and a friend.*

*Willard H. Smith*

*Mr. Smith's Message  
to the Seniors*

To the Class of 1949:

May I extend to you my heartiest congratulations on the eve of your graduation from Beverly High School. You have achieved a goal which many young men and women, even in America, never reach. For you to succeed, there has been hard work and sacrifice on your part; there has been love and encouragement from your parents; there has been friendly assistance and advice from your teachers. You have reason to be thankful for the success your efforts have brought and for the help you have received from others along the way.

Our United States needs intelligent, educated citizens to be a strong, democratic nation. I hope that as the years go by each of you as individual citizens will increasingly be influential in helping to build a better community, a better state, a better nation. I hope that you too will see the meaning of democracy so well expressed by Howard Hartzell, a high school student in Chautauqua, New York, when he wrote:

"I speak for democracy. It is worth defending, maintaining, and recreating.

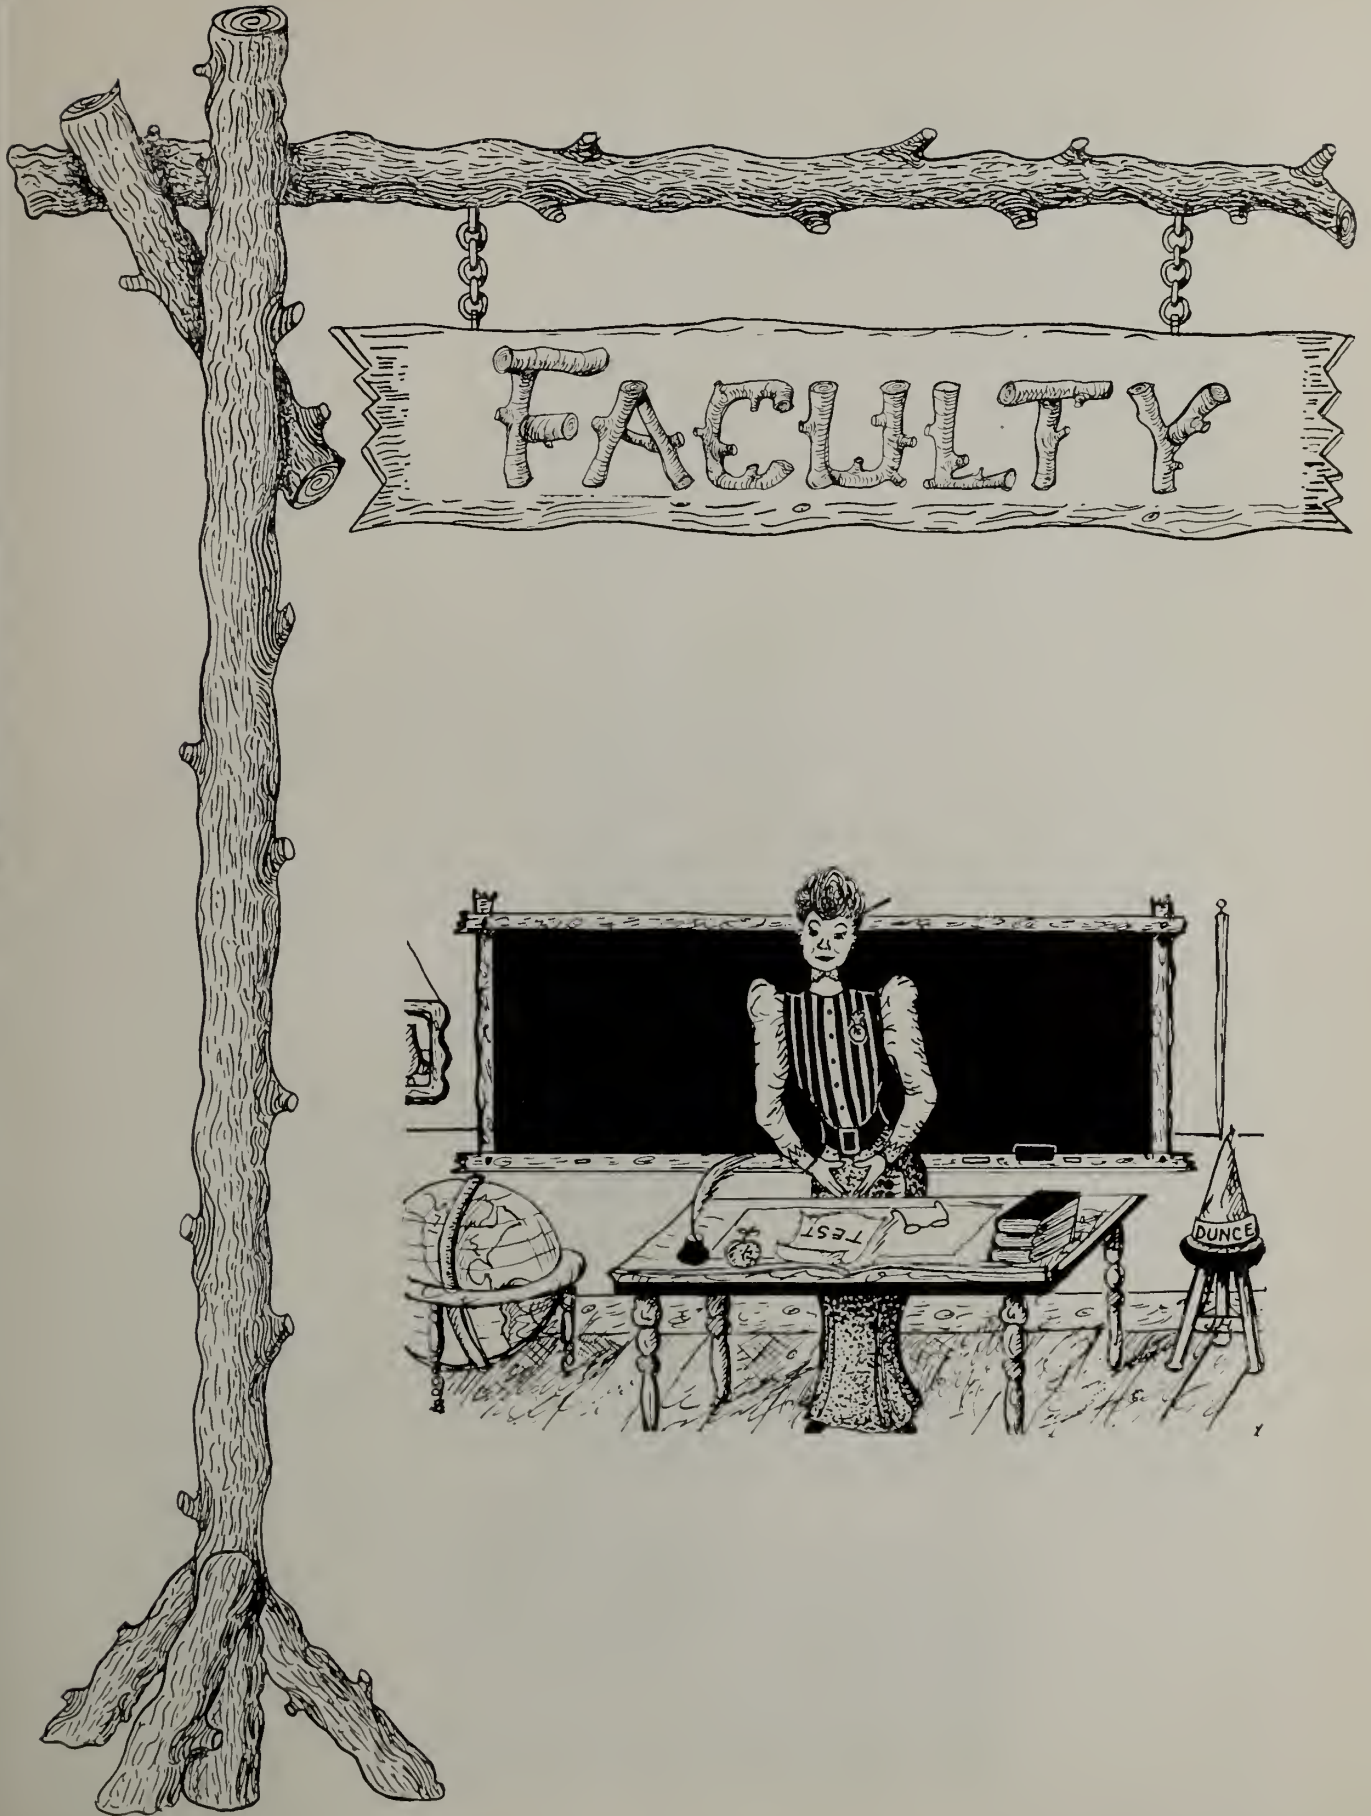

Democracy is the right of every man to know himself, to function to his capacity, to hold fast those things he values, to be governed by his representatives, and to dream the dreams which will become for a dynamic people the reality of tomorrow."

My good wishes go with you as you graduate to new and greater challenges in your lives.

Sincerely,

*Willard H. Smith*

There we stood, 300 strong, before the massive doors. Were we nervous? You bet your life we were! None of us knew what horrible fate might befall us, but we gritted our respective teeth and went "forward, as into battle" (as Miss Ryan would say). Once inside, we found that the Sophomore's lot was not an easy one, but Beverly High School really held nothing to dread. After the preliminary struggles with lockers and new regulations, we Sophomores soon became accustomed to the place.

As our first official act, we elected our officers: President, Kenneth (Sandy) Kessaris; Vice-President, Frank Robinson; Secretary, Marilyn MacLeod; and Treasurer, Ned Sweet.

This certainly was our year to shine! On Drama Night our play, "The Flattering Word", won the award, much to the sorrow of the other two classes. The cast included Theresa Innocenti, Joan Tucker, Nancy Scott, Bob Wilks, and Don Berry who was chosen as best actor.

Many of our classmates worked off their excess energy playing football and basketball.

All things considered, we passed a thoroughly happy year at B. H. S.

#### Junior Year

Another September found us eager to resume the school activities, which by now, had become familiar to us. Why, some of our more seasoned detention students had even come to call Miss Wallace by her first name!!

Our class officers were: Sandy Kessaris, President; Bob Nolan, Vice-President; Secretary, Betty Joslin; and Treasurer, Mike Toomey.

The play we presented on Drama Night was "Two Crooks and a Lady." This little opus, complete with guns, blood, and policemen, had in its cast the following: Carole Schoellhorn, Betty Joslin, Peter Whitaker, Robert Carr, and Don Berry (who got shot—remember?) Theresa D'Amato won the acting award for her outstanding characterization.

## SENIOR CLASS HISTORY

First row, left to right: Ned Sweet, Joan Paradise, Bertha Gadbois, Donald Berry, Kenneth Kessariss, Michael Toomey, Mary Coombs, Louis DiFazio.

Second row, left to right: Miss Evelyn Griffin, Class Adviser; David Laramie, Lawrence Giuliani, Douglas Whyte, Robert Carr, Louis Rossi, John O'Rourke.

This year was even more active than the preceding one. Betty Joslin, Kenneth Kessariss, Donald Berry, Michael Toomey, and Ned Sweet were elected by us to serve as our representatives on the Student Council.

Sports such as football and basketball claimed the time and attention of many of our boys. The girls played basketball, were on the baton squad, and served as cheerleaders.

#### Senior Year

Now, at last, we were Seniors. Class President Sandy Kessariss was re-elected for a third term. The other officers for the final year were: Vice-President, Donald Berry; Secretary, Bertha Gadbois; and Treasurer, Michael Toomey.

Ned Sweet presided over assemblies very effectively as President of the Student Council. Two Senior members were added to the Council, Harry Tozier and Bertha Gadbois.

The "Aegis" passed a very successful year under the able direction of Janet Young, Editor-in-Chief. Robert Woods was Editor of "Senior Memoirs."

Our dance, "The Basketball Bounce", was the social (and financial) success of the year. There was a large attendance and all had an enjoyable evening.

During the year we participated in many other activities designed to replenish our dwindling treasury. Banners and lapel ornaments in the school colors were sold in time for use at the Thanksgiving game. Football programs and pencils imprinted with the basketball schedule were also sold. The class sold Souvenir Fall Sports Folders containing candid shots taken at the football games.

In boys' basketball we were represented by the following: Richard Price, Richard Gobeille, Donald Campbell, Benjamin Bowden, Morton Galper and James Pettipas.

Our two years at Beverly High School have been happy and successful. We are now looking forward to our Senior year and graduation.

## JUNIOR CLASS HISTORY

The three hundred thirty-two members of the Sophomore class arrived at Beverly High School "on the 8th of September in '48" anticipating a new field of education and activities. With the expert assistance of the upper classmen, our locker mystery was soon solved for they were unlocked and often carefully set for us. Working out the longest route from home room to class room and from class to class did not take us long.

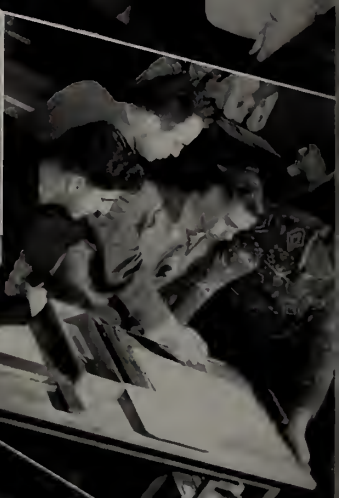

We were very fortunate to enter Beverly High School the year she had an undefeated, untied football team, and the resulting surge of school spirit made us an integral part of the school in record time. In a more serious vein, it appeared that we would be the first class to benefit to the fullest extent from the intensified guidance program set up this year.

"The Charity Ball", the Sophomore play under the direction of Miss Ryan, proved to be an excellent production enjoyed by all who attended the annual Drama Night.

The election of class officers was preceded by a unique campaign. The final results were: President, Richard Carr; Vice-President, Robert Hayes; Secretary, Robert MacLeod; Treasurer, Fred Bucci.

A record number of Sophomores participated in the extra-curricular activities such as football, basketball, track, hockey, baseball, band, and clubs.

We have greatly enjoyed our Sophomore year and are looking forward to the remainder of our years at B. H. S. (only two, we hope).

First row, left to right: Fred Clapp, Michael Toomey, Janet Young, Ned Sweet, Betty Joslin, Bertha Gadbois, Jean Stapledon.  
 Second row, left to right: Harry Tozier, Donald Berry, Eleanor Dwyer, Lee Jameson, Adviser; Shirley Dion, Paul Lester, Donald Campbell, Kenneth Kessariss.

The Student Council is one body of our bi-cameral Student Congress at Beverly High. It corresponds to the Senate in the National Legislature.

It consists of eight Seniors and six Juniors, with two additional Juniors being elected during the fourth quarter, while six Sophomores are elected in the third quarter.

The duties of the Council are to act on any proposals put before it by the House of Delegates, to discuss school problems which have arisen, and to pass any measures designed for the betterment of the school. Its activities also include planning for, and producing, at least one assembly each year, publicizing Drama Night, and sponsoring the annual Spring Prom.

The Council is a member of the National Organization, the State Association and the Eastern Massachusetts Divisions of Student Councils. On December 4, we sent delegates to the Eastern Massachusetts Convention at Brighton High School, and on April 9, to the convention held at Concord High School. We were also represented at the State Convention.

The adviser to the Student Council is Mr. Lee Jameson. The officers are as follows: President, Ned Sweet; Vice-President, Betty Joslin; Secretary, Janet Young; and Treasurer, Bertha Gadbois.

This year we have been instrumental in securing chartered busses for the out-of-town football games, and in widening the field of girls' athletics.

First row, left to right: Vivian Cotti, Louise Wilkins, Judith Woodberry, Laura St.Pierre, Jacqueline White, Lucy Ambrose, June Burge, Alice Robinson, Joan Desjardins, Nancy Worrall, Adele Cantone, Shirley Dion, Betty Smith, Anna Kilpatrick, Marilyn MacLeod, Barbara Morse.  
 Second row, left to right: Alfred Manzi, Robert Carpenter, Joan Cook, Jacqueline Nelson, Caryl Larcom, Betty Joslin, Betty Gilbert, Joanna Courtney, Betty Obear, Lee Jameson, Adviser: Janet Merry, Cynthia Foshay, Mary Him, Annette Fortunato, Jean Barry, Secretary; Eleanor Hawthorne, Rebecca Tannebring, Shirley Stover, Marilyn Ward.  
 Third row, left to right: Thomas Grady, Jr., Edward Bushey.

At the beginning of the school year a delegate and an alternate are elected from each homeroom. Two representatives are chosen so that there will be at least one member of every homeroom at all the meetings.

During the first few weeks the group was made acquainted with the functions of the organization. Officers for the coming year were elected and various committees selected.

The purpose of the House of Delegates is to discuss all problems of, and suggestions brought to the attention of, the delegates. If a bill is passed, it is then forwarded to the Student Council for further consideration.

Mr. Jameson is the faculty adviser. The officers are John Hansbury, President; Judith Woodbury, Vice-President; and Annette Fortunato, Secretary.

The **Aegis**, as everyone knows, is the literary magazine of Beverly High School. Its purpose is to give an opportunity for talented students to develop their creative ability, both literary and artistic, and to furnish entertainment to fellow students with worthwhile reading matter. The magazine is issued four times a year: fall, winter, spring, and summer.

The staff of the **Aegis** is composed of Seniors and Juniors who are selected by their English teachers because of their originality and accuracy.

Many groups aid in the publication of this magazine. Usually two of the issues are printed in the Trade School under the direction of Mr. Norman Palmer. The advertising, subscriptions, and bookkeeping are supervised by the Business Managers sponsored by Miss Carraher. Also the board has had the valuable advice of Mr. LeBlanc of the art department. Each year under the leadership of Mrs. Corbett, Literary Adviser, an **Aegis** assembly is held to advertise the magazine and to encourage subscriptions.

Other schools in New England, New York, Canada, and England exchange copies with the **Aegis**, enabling the board to profit by suggestions and examples.

The gift of the class of 1915 assures an annual award to the writer of the best story, poem, or essay published during the year. The award is presented at the Senior Assembly in June. The judges for this contest are always professional men and women.

This year the **Aegis** staff has undertaken a new project: that is, participation in the **Boston Globe's** Publication Competition. Both literary and artistic contributions will be submitted for competition and criticism.

The Safety Patrol under the supervision of Mr. Root, is one of Beverly High School's most needed organizations. The group is directed by appointed officers with helpful advice from its supervisor. The duties of the group are mainly directing traffic in the corridors and ushering at affairs such as graduation, Drama Night, Thanksgiving Day Game, and other functions that might arise and demand their assistance. The members are chosen for their dependability and alertness; the standards are high. No member is to have any scholastic grades below "C", neither is he to have any unsatisfactory citizenship marks.

The organization this year is composed of thirty-seven members including its captain and three lieutenants. The group has had a very successful year. The Senior members who are leaving are pleased that they were chosen to serve and sincerely hope that the fine tradition of the Safety Patrol is upheld in the years to come.

The Stagecraft group is in charge of the operation and upkeep of all stage equipment. The club consists of five Seniors, four Juniors, and three Sophomores.

The first task undertaken by two older members was the teaching of the inexperienced Sophomores. The complete workings of the complicated switch board, necessary to produce lighting effects on various stage settings was explained. After covering in detail the information required to work the overhead curtains, drops, etc., from the loft, the mantling and dismantling of scenery was taken up.

On completion of the education of the new members, the first test of the newly organized Stagecraft Club came on Drama Night. The club proved very efficient and turned in a good piece of work which added to the success of the affair.

Peter Barter, one of the more talented members of the club, directed the painting of a set which greatly improved the appearance of the scenery. Barter, who is only a Sophomore, proved to be a great asset to the club because of his three year's experience in summer theaters. He should be a key man in his coming two years.

The club not only teaches what goes on behind the scenes but teaches cooperation, teamwork, and efficiency to its members.

In September, twenty students, desirous of finding the "short cut in mathematics" joined the Slide Rule Club, a division of the Mathematics Club. They worked valiantly to overcome the difficulties presented by the scales on the rule and to meet the requirements of Miss Hett, the instructor.

Slide rules were provided for those who did not own one for problems involving division, multiplication, square, cube, fourth, and sixth roots which were solved and corrected during the club meetings. Work continued to include trigonometry on the logarithm, sine, and tangent scales.

Skill in using the slide rule, when mastered by practice both inside and outside of school hours, will be a great asset to members who enter college for an engineering course or in a business career. As Berthelot has said—"Mathematics is the indispensable instrument of all physical research."

The Girls' Glee Club, under the direction of Miss Stuart, is very popular with the girls of Beverly High. This chorus rehearses once a week during activities period on Tuesday. This year the group has sung in several programs including Parents' Night, the Thanksgiving assembly, Christmas assembly, and has presented the second annual Pops Concert on May 13, 1949.

The purpose of the Boys' Glee Club, directed by Miss Stuart, is to bring out the vocal qualities of the boys of our school. During the course of the year, the boys combine with the Girls' Glee Club to participate in the programs at various assemblies. The group meets during the Thursday activities period. For fellows who wish to continue with singing, it is good experience; for those who sing for enjoyment, there is no better way to obtain it than by belonging to this club.

The Orchestra this year is composed of sixteen players, who play only the best modern dance and swing music. The group has made considerable progress under the direction of Mr. Claude Phillips. Melvin Eklund is the student leader. After graduation last year, the ranks of the orchestra were badly thinned out. The fact that there were no violinists returning this year made it impossible to have the classical orchestra. Among the favorite selections have been *Stardust*, *Now is the Hour*, and *The Too Fat Polka*.

The orchestra will take part in the Pops Concert this spring.

The aim of the Club is to supplement the work of the regular classes with further plans to help members become better prepared for the business world. This is done by means of meetings carried on according to parliamentary procedure, by demonstrations and talks by business men and women, by movies, by pupil-planning and participation of programs and socials and by publication of a Club paper.

During the year the Club has had many profitable business meetings and committee meetings, several speakers, movies, socials, an outing, and has published three issues of the Commercial Hi-Lites, its Club paper.

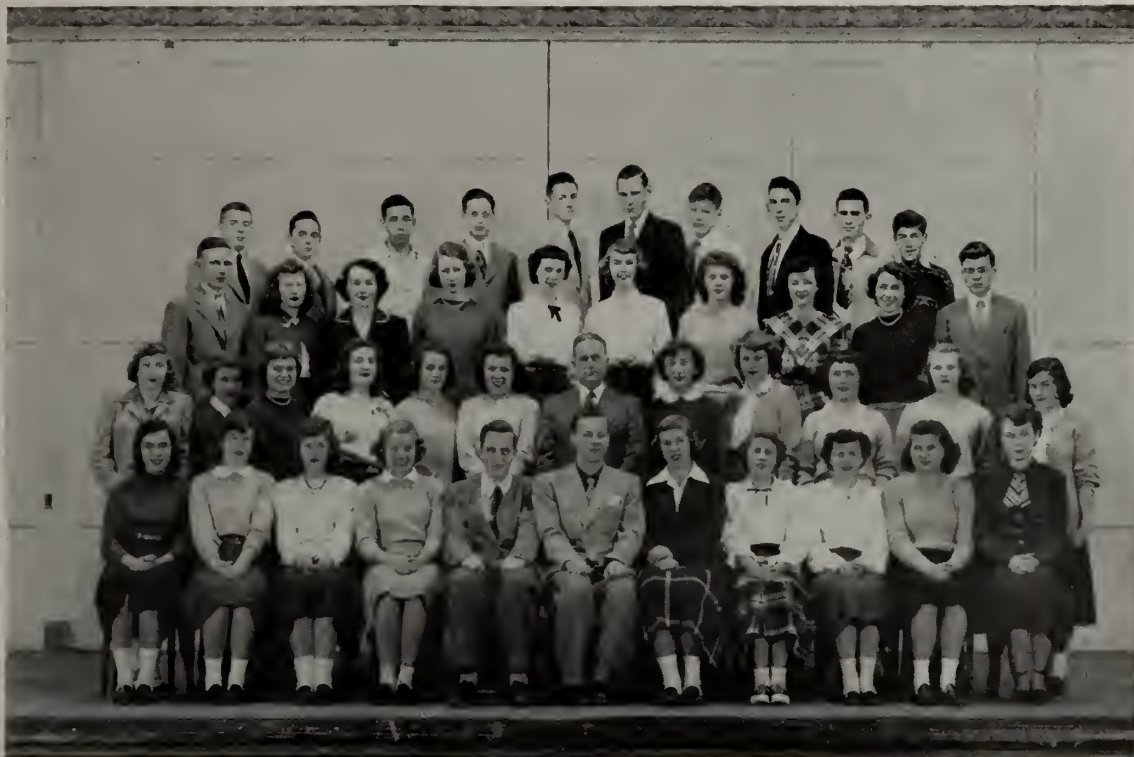

Among the speakers were Mr. Tower, of the Telephone Company; a member of the Faculty of State Teachers' College; Miss Sally Ann Cohn, a former member of the Club, who is now Editor of the house paper of a large supply association; an air hostess, Miss Helen Peterson, who is a graduate of Beverly High School; and others who told about their work and gave many helpful points on applying for a position, good business conduct, and proper dress for business.

During the past year the band, under the capable direction of Mr. John Finnegan, has participated in nearly all of the assemblies. The band also played an important part during the football season, with its marching and musical renditions between halves and helping-out the cheerleaders. It also had a major part at two gigantic pep rallies.

One of the highlights of the year was the Santa Claus Parade which the band led through the streets of Beverly to initiate officially the Christmas season. At the testimonial given in the honor of Ex-Mayor McLean, the band favored the audience with a few well-chosen selections. In prospect for the last half of the year are two or three major concerts. One of these will be to acquaint the grammar school children of Beverly with the workings of the band and to interest them in playing musical instruments. One of the band's more successful seasons will come to a close with its final exhibition in the Memorial Day Parade.

The Current Events Club has continued in its purpose of acting as an organ to enlighten interested students in pertinent topics of the day. Not only is the Club especially large this year but its open meetings also have been well attended.

The highlights of these open meetings have been talks by well qualified men. Since the question "Should Beverly Adopt Plan E?" caused so much discussion we had two speakers on the subject—Mr. Richard Roundy, Jr., for the affirmative and former Mayor McLean for the negative. Then, too, eleven graduates of B. H. S. gave enlightening and amusing comments about college life and about their own particular colleges. The football team's trip to Florida won everyone's attention; therefore Coach Carrol obliged by giving the highspots of the trip. As the year progresses, we hope to have more excellent meetings with such speakers as State Senator Christopher Phillips on "The Business of Going Into Politics", Professor McPherson of Boston College on "Current Economic Trends", and Rabbi Ingalls on "Palestine."

State law decrees that fire drills shall be held in schools ten times during the school year. To prepare for these drills, organization meetings of the squad are held early in the fall to assign new members to stations and to review the best methods of procedure.

Two boys are assigned to each extinguisher for greater ease in carrying, with a total of twenty-four boys on the entire squad. Besides these twenty-four there is one boy stationed at each exit to time those leaving the building. There is also a boy assigned to the scene of the supposed fire to check off the extinguishers as they arrive.

This year's squad ranks as one of the best that B. H. S. has had in some years. Should it ever be necessary again to handle a real fire, these boys would give a good account of themselves.

The Parliamentary Law Club aims to equip its members with the knowledge required to conduct meetings efficiently in groups or assemblies. Some time is spent in a study of the fundamental principles: the presentation and disposition of motions, amendments, debate, voting, and the writing of by-laws. The greater portion of time is devoted to the practice of these procedures, and each member of the group is afforded the opportunity to act as a presiding officer in order to make clear the task that faces a person in such a capacity. Visits are made to other clubs to study procedures from a critic's viewpoint.

Now in its second year at Beverly High School, Le Cercle Francais is indeed growing in its membership and list of activities.

This year, the Cercle is fortunate in having as a member a French boy, who, having recently come from Paris, is in a position to tell us about conditions in France today. He also gave several members addresses of his friends and an interesting correspondence has been started.

Weekly meetings are conducted in French and the programs consist of games, songs, and special reports. Moreover, several members have been to Boston with Miss Warren to see excellent French movies and will probably see more this year. In the future, the Cercle plans to send food and clothing packages to French orphans. In the spring, the club will have an assembly conducted entirely in French.

The Home Economics Club enjoyed many good times this year, thanks to our advisers, Miss Hanson, Miss Demurjian, and Miss Folsom.

This club is open to all girls in the Vocational Department and in the Civic Training Department.

In October, many of the girls went on a roller skating party. A Christmas party complete with refreshments, entertainment, and a joke tree was enjoyed by all.

During the club periods the girls have been knitting, crocheting, embroidering, and making stuffed toys. Attractive luncheon sets with painted stencils took up many hours of enjoyable work.

We all miss our hard working Seniors who leave us this year but we shall be looking forward to our new Sophomores.

The members of the Science Club are working on a number of projects that will make up a science exhibit to be presented later in the year.

These projects give the members a chance to learn more about the subjects they are studying and give them an opportunity to apply text-book principles to actual practice.

The Art Club, under the direction of Mr. LeBlanc, has devoted most of its time to redecorating the classrooms and corridors in the school building. Although many other projects have been undertaken, this was the most popular. Other projects included oil painting, water colors, pastel chalks, and leather tooling. Some creative art was introduced and produced various effects in the second floor corridor.

The popularity of the club is evidenced by the fact that it has grown from fifteen members last year to forty members this year.

"Mathematics is the glory of the human mind."—Leibnitz

Under the expert instruction of Miss Helen Hett, the Mathematics Club is striving to gain greater knowledge through mathematics and to apply its knowledge to practical use. Rudiments in all phases of pure, applied and higher mathematics are studied and the appreciation of the aesthetic appeal of geometry is emphasized. Club meetings are held every Thursday during the activities period in room 322 and informal meetings for extra work in college preparation are held Wednesdays after school.

First row, left to right: David Foley, Carl Larcom, Dana Walsh, Lewis Foss, Raymond Robb, William Hutchinson, Paul McNutt, Norman Donovan, Robert Carpenter.

Second row, left to right: Melvin Eklund, Assistant Manager; John Daley, David Gardner, John Batchelder, Donald Larrabee, John Hamor, Donald Broughton, Joseph Williams, Raymond Tarr, George Buharin, Manager.

Third row: left to right: Thomas A. Rudkin, Coach; Frank Williams, Jack Bannon, Dan O'Brien, Donald Davidson, Captain; Pio Angelini, James Pettipas, Richard Picone, Kenneth Kulberg.

Coach Doc Rudkin's harriers were hit hard by last year's graduation. Several top flight runners left and the only seasoned returnee was Capt. Don Davidson.

Despite the lack of veterans the Orange and Black distance runners made the going tough for the opposition. Jack Bannon was Beverly's most dependable man. This was his first year out and under the excellent guidance of Coach Rudkin, he developed into one of the best cross country men in the state. The rest of the squad was composed largely of undergraduates. Ken Kulberg, Jim Pettipas, Pio Angelini, Frank and Joe Williams all return next fall, while Capt. Don Davidson, Danny O'Brien, and Jack Bannon depart in June.

With all these veterans returning, the outlook for next year is promising. Coach Rudkin will have more material with which to work and, with his help, the hill and dale boys should fare well.

## CROSS COUNTRY

First row, left to right: Lawrence Knowlton, D. N. MacInnis, Coach; Alan MacInnis, Captain.  
Second row, left to right: Quincy Kennard, Benjamin Bowden, Richard Price, Earl Johnson.

In recent years there has been a persistent demand for a tennis team at B. H. S. However, lack of a suitable place to hold team matches made it extremely difficult, if not impossible, to play other schools at Beverly.

Fortunately that difficulty was overcome late in the winter of 1948. The U. S. M. C. A. A. very generously made its McKay Street courts available to the B. H. S. for practice and team play at no cost to the school. Shortly afterwards, the Athletic Board made tennis a minor sport at B. H. S. A schedule was then arranged consisting of nine matches with other schools. Of these, Beverly won seven, lost one, and tied one.

Richard Kellom was elected captain for 1948. In singles play, Bowden, Kennard, and MacInnis were outstanding, each winning eight contests and not losing more than one during the entire season. In doubles play, however, the showing was not so good. The Kellom-MacInnis combination was the most consistent winner. Other combinations showed good form at times, and much is expected of them in 1949.

The season of 1949, even with stronger competition and the loss of two good veterans, shapes up well. Captain Alan MacInnis, Ben Bowden, Quincy Kennard, Earl Johnson and Dick Price, all veteran lettermen, should be improved players. Other promising candidates are Larry Knowlton, Ned Sweet, Don Farnum, Chet Nyman, Wayne Raymond, and Tommy Donovan.

First row, left to right: Mike Toomey, Dick Theriault, Ray LeClerc, Paul Fraser, Jerry Pizzello, Norman Pfaff, Austin Woods.

Second row, left to right: Paul Kelleher, Dick Filippetta, Sandy Kessariss, Mickey Abate, George Accomando, Don Berry, Bill Ransom.

The class of '49 was blessed with Beverly High's greatest team. It was the first undefeated and untied team in the school's history.

Under the capable tutelage of Coach Charlie Walsh and his assistants, Charlie Pelonzi and John Borchynski, Beverly rolled over all its opponents during the regular season.

Twice the Orange and Black scored forty points in one game. They humbled the previously undefeated Gloucester, who claimed themselves heir to the class B crown, by the score of 36-7, in a game that saw tempers flare and near riots.

On Thanksgiving morning the Golden Tornado let loose on its arch-rival from across the bridge. Bill Ransom electrified the crowd when he took the opening kick-off and ran for a touchdown. Beverly didn't ease up until the scoreboard read thirty-eight points for the good side and a big 0 for the Witches. Austie Woods missed this game because of a serious knee injury, but Bob Carr and George Brewer made life miserable for the Salem backs.

In the post-season fracas Beverly tasted defeat for the first time. The Shoe City eleven was much heavier but could only squeeze by with a hard-earned 14-6 victory.

The front wall of Beverly was hard to penetrate. During the season only one touchdown was scored against it. The line had plenty of strength. Co-Captain Mike Toomey, Norm Pfaff, Dick Theriault, Lore Frost, Fred Bucci, Bill Wickers, Ray LeClerc, Paul Fraser, Frank Chamberlain, Dick Evitts, Jerry Pizzello, George Brewer, Bob Carr, Austie Woods, Charlie Hiltunen, Tony Maggiamo, all saw much action. Their play was nothing short of sensational.

The backfield had plenty of speed and deception. Co-Captain Mickey Abate, Sandy Kessariss, Co-Captain Don Berry, Bill Ransom and George Accomando, and Bob Hayes carried the offensive burden, while Dick Filippetta and Paul Kelliher were standouts on the defense.

 Second row, left to right: Joe Ambrefe, Ray LeClerc, George Accomando, Dick Philippetta, Mike Toomey, Co-Captain; Mickey Abate, Co-Captain; Don Berry Co-Captain; Jerry Pizello, Norman Pfaff, Sandy Kessarais, Bill Ransom.  
 Third row, left to right: Coach Charles Pelonzi, Bill Wickers, Tom Rapisarda, Fred Bucci, Wayne Raymond, Lore Frost, Dick Theriault, Austin Woods, Bill Ryan, Tony Maggiacomo, Vic Menesale, Dick Evitts, Coach Charles Walsh.

Five Walshmen were selected for the North Shore All-Star squad. They were Paul Fraser, Ray LeClerc, Mickey Abate, Bill Ransom, and Sandy Kessarais. Sandy led the Essex County in scoring and failed to tally only in the Gloucester rout.

Something new was added to North Shore football with the formation of the Junior Varsity League. This gave the younger players a chance to gain experience. The competition in the league was keen and Beverly was one of the top teams. The line had Dick Hazell and Wilkinson as ends, Fred Bucci and Wayne Raymond at the tackles, Joe Maglio, Vic Menesale and Nate Winer guards, and Joe Ambrefe at the pivot spot. The backfield includes Bob Hayes, Ronald Parsons, Tom Stasiak, Dick Price, Dick Beauregard, Dick Carr, and Tom Rapisardi.

Brockton 14 (Post Season Game)

First row, left to right: Betty Joslin, Edna Dechene, Janice Morency, Head Cheerleader; Irene Manks, Helen Ellis.

Second row, left to right: Grace Him, Chickie Gadbois, Jean Godbout, Mary Lee.

Absent when picture was taken: Norma Homan.

During '48-'49, the B. H. S. Cheerleaders: Irene Manks, Helen Ellis, Betty Joslin, Edna Dechene, Norma Homan, Jean Godbout, "Chickie" Gadbois, Grace Him, Mary Lee, and Janice Morency, have done a fine job displaying effective cheering techniques. They are to be commended on their stimulating cheers. Throughout the entire football season, they were undoubtedly a great inspiration to both the spectators and our successful football team. With Janice Morency as their leader, they have contributed much in making the past year a most memorable one.

## CHEERLEADERS

First row, left to right: Dorothy Burton, Marilyn Ward, Nancy Jenness.  
 Second row, left to right: Charlotte Story, Kathleen Hilton, June DiGenova, Derna Pieroni, Leona Mallardi, Mary Sabatini, Mary Maloof, June MacLeod, Joanne Hicks.

One of the most spectacular parts of each of the '48-'49 football games was the appearance of the Baton Squad. Their twirling attracted much attention and admiration at some school assemblies as well as on the gridiron. A great deal of praise is due them for their efforts which resulted in perfected routines, accurately timed and presented in a capable manner. The members of this year's Baton Squad were: Judith Lewis, Nancy Guething, June DiGenova, Derna Pieroni, June MacLeod, Mary Sabatini, Mary Maloof, and Leona Mallardi.

Acting as a guard of honor, the girls making up the Flag Squad conscientiously attended each football game and by their efforts added considerably to the color and dignity of the pre-game and half-time performance. Both students and faculty have been proud to have this particular group represent their country, city, and school. Those who have played such an essential part throughout the fall season were: Nancy Jenness, Joanne Hicks, Dorothy Burton, Charlotte Story, and Marilyn Ward.

First row, left to right: Dianne Sterman, Jean Stapledon, Laura St. Pierre, Terry Adams, Patricia Toomey, Mary Lane, Marilyn Woods, Muriel McLean.

Second row, left to right: June Whelpley, Coach; Bernice Misner, Doris Bernson, Natalie Clarke, Constance Leonard, Barbara Chick, Jean Barry, Carol Cauty, Joan Paradise, Manager.

Third row, left to right: Eleanor Hawthorne, Betty Watson, Gertrude Cassola, Judith Lewis, Patricia Barry, Margaret Nelson.

The 1948-49 girls' basketball team got off to a rather slow start. After playing seven games the varsity had chalked up only one victory against six defeats. The members of the team had not lost hope, however, for they had played what were considered the most difficult teams to beat. They were, therefore, hopeful that the remaining games would prove more favorable to Beverly.

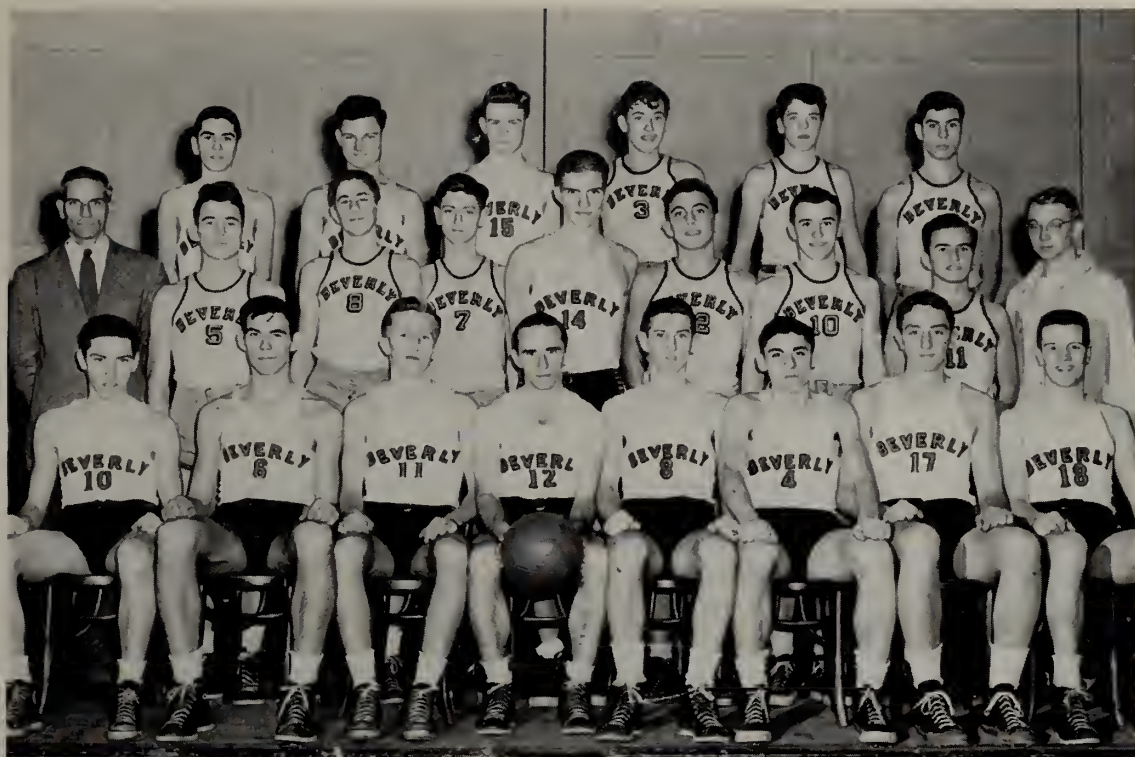

Coach: Miss June Whelpley. Student Manager: Joan Paradise. Captain Terry Adams.

First row, left to right: Norman Cassola, Andrew Black, Harry Tozier, John Hansbury, Captain; Richard Campbell, Kenneth Kessariss, Norman Pfaff, Richard Price.

Second row, left to right: Robert Brown, Coach; Richard Picone, James Pettipas, Alfred Commerford, Richard Carr, Robert MacLeod, Richard Gobeille, Robert Rice, Manager.

Third row: left to right: Donald Campbell, Richard Veilleux, Charles Hogan, Jordan Baker, James Mulligan, Merton Kaplan.

The Beverly High cagers were dogged by hard luck. At the start, Austin Woods was lost to the team even before the season had begun. He was injured in football and was unable to take up his chores as center. Sandy Kessariss and Norm Pfaff were slow rounding into shape after a rugged football season. Three of the games were lost by the margin of a foul shot, and in almost every game the Orange and Black quintet led at the half only to lose it after a disastrous third period.

Things looked good as the Beverly basketekers trounced a strong Marblehead quintet. In a game played at the Boston Arena, Beverly lost its first game to a high-scoring St. Raphael's team from Rhode Island. With the opening of the Essex County League, the Orange and Black bowed to Haverhill 25-24. This marked the beginning of the bad luck. Coach Bob Brown's boys could manage to beat only Peabody in the first nine games.

One bright feature was the performance of the second team which at this time sports a nine and nothing slate and is tied with the Salem reserves for the leadership.

The first team was composed of Harry Tozier, Andy Black, Norm Pfaff, Norm Cassola, Dick Campbell, Sandy Kessariss, Dick Price, Mort Galper, Don Campbell, Ben Bowden, and Jack Hansbury.

The second team had Jim Pettipas, Richie Gobeille, Dick Carr, Dick Veilleux, Bob MacLeod, Red Hogan, Joe Mulligan, Jordan Baker and Richie Picone.

First row, left to right: Kenneth Kulberg, Frank Chamberlain, Donald Davidson, Donald Rogers, John Bannon, Kenneth Bishop, Frank Williams, John Hamor.  
 Second row, left to right: Thomas Rudkin, Coach; Stephen Sanchez, Henry Deschenes, Edward Shipp, Albert Murray, Robert Fielding, John Nunziato, William Woods, Robert Hayes.  
 Third row, left to right: Robert Couillard, Richard Hazell, Pio Angelini, Leroy Williams, Lore Frost, Dean Zeilon, William Beaulieu, Joseph Williams.

The track season opened with indoor competition. Doc Rudkin's track adherents dropped their first meet to Lynn Classical 37-31. In the Metropolitan League Meet, Beverly defeated Concord 52-25. Bill Ranson broke the record for the fifty yard dash with the time of 5:8 seconds. Next the Beverly trackmen entered the State Meet at the Boston Garden and placed third in Class C. "Scooter" Ranson again set a new mark for the fifty yard dash in the amazing time of 5:7 seconds.

The boys who participated in the indoor sessions were Captain Don Rogers, Bill Ransom, Bob Hayes, Ken Bishop, Bob Young, Pio Angelini, Don Davidson, Jack Nunziato, Dick Hazell, Ken Kulberg, Bob Fielding, Jack Bannon, Frank Chamberlain, Lore Frost, Fred Bucci, Albert Murray, and Ed Shipp.

When spring track begins operations, these boys will be joined by George Accomando, Dick Filippetta, Don Berry, Steve Sanchez, Henry Deschenes, Frank Williams, Dean Zeilon, Bill Woods, John McKenna, Dan O'Brien, John Williams, David Gardner, Robert Couillard, Bill Beaulieu, Sam Davekos, and Mike Toomey.

Beverly High's baseball nine should be one of the strongest in Essex County. Captain Sandy Kessaris leads the parade of veterans and his hitting will win many games. Along with Sandy in the infield, will be Mickey Abate at second, Charlie Kessaris, a newcomer, at short-stop, and Austie Woods at third, provided his football injury has healed. Bill "Flash" Ransom and Jack Hansbury are outfield candidates. The catching department is well fortified with Richie Gobeille, the team's leading hitter last year, and Paul Kelleher. Al Berman, George Brewer, and Bob MacLeod are the top hurlers.

First row, left to right: Joseph Ambrefe, William Palm, Robert Nicoll, Captain; Kenneth Keech, Paul Kelley.

Second row, left to right: Alfred LeBrun, Nathaniel Winer, Richard Price, Robert Whalen, Robert Gibbs, Richard Gobeille.

Absent when picture was taken: Paul Fraser, Robert Entwistle, Donald Mitchell.

Coach "Bus" Foley's boys were leading the North Shore Hockey League at this stage of the season with three wins and no blemishes. The Orange and Black sextet defeated Gloucester, Swampscott, and Peabody. The latter game, won in an overtime, when Beverly skaters scored twice to break a 1-1 tie.

The playing facilities improved a great deal with the construction of an outdoor rink in Lynn. It is expected that next year the place will be enclosed and a good seating capacity provided.

The Beverly "pucksters" had an abundance of speed and depth. The club worked as a unit and as a result was able to overcome brawn with brains. Most of the boys were on the petite side as compared with the huskies on the opposition.

Captain "Scoop" Nicoll, Dick Price, Joe Ambrefe, Bob Whalen, Paul Kelly, Bill Palm, Don Mitchell, Bob Gibbs, Alfie LeBrun, Richie Gobeille, Ken Keech, Nate Winer, Paul Fraser, and Bob Entwistle made up the well balanced squad. These boys gave Coach Foley a scoring punch, something they lacked last year, and a strong defense.

Joe Ambrefe, Dick Price, Richie Gobeille, Bob Entwistle, Don Mitchell and Ken Keech all return next year. Beverly will be among the best on the North Shore where hockey is fast becoming an outstanding sport.

## GOLF

Coach Bob Brown's boys will be out to capture the Essex County championship this year after finishing second, during the last campaign. Co-captains Bill Palm and Jim Buckley will lead the linksmen again this year. The rest of the team is composed of veterans except for one position. John Duran, Jim Gillis, and Paul Kelley all return and the sixth berth is wide open.
